PLANNING COMMISSION REVIEW

1. The Planning Commission shall review the site plan for special land use to determine its compliance with the criteria established in Article 5 of the Lapeer Township Zoning Ordinance and all other applicable Zoning Ordinance requirements. The Planning Commission shall take action on the special land use as follows:

Approval: Upon determination that the special land use is in compliance with the Zoning Ordinance, the special land use shall be approved.

Conditional Approval: If, upon determination by the Planning Commission that a site plan for special land use is in compliance with all applicable requirements, except for minor changes, said revisions shall be so indicated on the site plan. When these changes have been adequately provided, the applicant may resubmit the revised site plan to the Planning Commission or their designee for the approval.

Disapproval: If the site plan does not meet the Zoning Ordinance requirements, the special land use shall be disapproved.

2. If the review of the site plan is tabled or postponed to the next meeting to allow applicant to present a revised plan and/or further Information for the Planning Commission to complete the review process, ten (10) copies of the revised plan and/or information shall be submitted to the Township Clerk by 3:00 p.m. on the Monday two (2) weeks prior to the regular Planning Commission meeting.

3. If approved the Zoning Ordinance requires a certificate of zoning compliance shall be recorded with the County Register of Deeds at the expense of the landowner for any accessory building exceeding 2,400 square feet.

APPROVAL PERIOD

Site plan approval shall be valid for one (1) year from the date of approval. Physical improvements to the site must begin within one (1) year and be completed within two (2) years or the plan approval will expire unless application has been made and approved for an extension by the Planning Commission.

ZONING COMPLIANCE PERMIT

Approval of the special land use by the Planning Commission shall satisfy the requirements of the Zoning Ordinance (or a Zoning Permit.) It shall not exempt the petitioner from compliance with other Township Ordinances. The Zoning Administrator shall not issue a building permit until special land use plan approval and a recorded copy of the deed restriction have been forwarded and are on file with the Township Clerk.

Upon approval a declaration of zoning compliance for an accessory building form must be obtained from the Township Clerk and filed at the owner's expense with the Lapeer County Register of Deeds office. Upon return by the Register of Deeds the Township must receive the recorded document (note that a SLU for an oversize accessory building stays with the parcel, not the current owner/applicant).
